Director  
Central Intelligence Agency

Dear Mr. Casey:

As I conclude my tenure as a White House Fellow, I cannot help but reflect fondly on my year at the Agency and on what has been one of the most productive years of my life. The experiences with [redacted] George Lauder, Danny Childs, [redacted] and many others have added a dimension to my year in Washington for which I am forever grateful.

Thank you for the opportunity. I wish you and your staff the very best.

Warmest regards,
